CIS 450 Final Project

Andrew Stapay, Alex Kalscheur

- Project Title: Frozen Freakout
- Game Concept
    - You play as a worker at a busy ice cream shop. Fulfill the customers' orders by catching falling ice cream cones!
    - Random ice cream orders are shown, and it is up to you to create a 4-scoop cone that is allowed by that order.
    - You can create as many cones as you can in one minute, or you can try to complete one cone as fast as possible!
- Controls
    - Click one of the buttons to play one of the two modes.
    - Move the cone left and right using the mouse.
    - Collect scoops on the cone to create a scoop stack.
